My dear General,

I thank you for your letter of 26 April and the kind words contained therein.

We are all grateful to you for having spared some moments out of your busy programme. I need NOT mention that it was a great honour for us all to have you amongst us. All ranks were highly enlightened felt very jubilant on your visit.

We are now looking forward for your ^{next} visit and hope you would have more time to spare for us.

Mr SHARMA has NOT yet contacted me. I shall do the needful to coach the young 'Sharma' and build him up for commission in the Army when he comes up to me.

The recruitment for 'Emergency Commission' and 'Short Service Commission' has been stopped. However he could apply for Regular Commission.

With deep regards
yours sincerely
